Naseeb Group Holdings have established North 43 as our property development sector. The name North 43 has been inspired from Toronto, Canada's geographical coordinates.

North 43 Development have always integrated extravagance with daily living. Designed for comfort and luxury, North 43 has worked closely with luxury Italian brands to provide elegant contemporary living spaces, designed efficiently to create the perfect balance of style and comfort. Our luxurious interior finishing and furnishing set us apart from the rest. Italian porcelain tiles, marble and oak floors along with Italian furniture will create the perfect essence of modern and contemporary style, constructing beautiful villas and townhouses in Canada since 2001.

North 43 is bringing their experience from Canada and have developed a G+5 Floor, 98 apartment mix of studio, one bed two bed ,and three bedrooms apartments project by the name of Platinum Residence located in Jumeirah Village Circle, Dubai in 2018 completed and handover.

North 43 Development continued on to develop 20 floors of luxury and comfort in the form of the North 43 Service Residences, 229 apartment mix of studio, one bed, two bed, three bedroom apartments also situated in JVC Dubai and will be finished and ready for handover Q1 2024.
